

2018 SOFTBALL SUMMER CAMP

OUR PURPOSE

The primary purpose of Softball Camp is to develop individual skills while emphasizing the importance of teamwork, self-discipline and sportsmanship.

We want to motivate each camper not only to set high goals, but also to search out realistic ways to approach the attainment of those goals. We want campers to learn to appreciate the value of fundamental correctness, as well as the value of practice itself.

Our overall aim is to provide the kind of experiences that will enable all of us to feel the joy that comes from sharing with and relating to others in a positive way. We want each camper to discover that real winning involves a proper attitude every bit as much as it does effort and ability.

A TRULY UNIQUE CAMP EXPERIENCE

The KVCC Summer Softball Camp is designed to improve the techniques and skills of each participant through a fun environment. Campers are grouped according to their age and skill levels. Our experienced staff will take great pride in helping the campers improve in all facets of their game. Some of the most dedicated and knowledgeable coaches in the area will supervise the campers, working to help each participant become an improved softball player. Coaches will work with players individually and collectively to ensure progress.

Our program is the perfect opportunity to receive expert instruction in the individual techniques necessary to become a great player. Coaches will stress the fundamentals and fine points of softball. We encourage the campers to work hard, make friends and, most importantly, have fun at KVCC Summer Softball Camp. Through individualized instruction and stage appropriate activities, all campers will gain knowledge, skills, and social attributes to become a better softball player and individual.

Specifically, camp consists of daily personalized instruction, drills, activities, and games. This camp will have a great coach to player ratio to ensure all campers gain as much knowledge and skills as possible. Camp also involves skills competition and evaluation. Campers will also receive a t-shirt on the first day of camp after checking in and a certificate recognizing their participation.
