OUR PURPOSE
The primary purpose of Basketball Camp is to develop individual basketball skills while emphasizing the importance of teamwork, self-discipline and sportsmanship.

We want to motivate each camper not only to set high goals, but also to search out realistic ways to approach the attainment of those goals. We want campers to learn to appreciate the value of fundamental correctness, as well as the value of practice itself.

Our overall aim is to provide the kind of experiences that will enable all of us to feel the joy that comes from sharing with and relating to others in a positive way. We want each camper to discover that real winning involves a proper attitude every bit as much as it does effort and ability.
